

MOZART ADVISORY PRESENTATION

MOZART ADVISORY

IN COLLABORATION WITH

LAURENT MACALUSO

- Laurent is the founder of MOZART ADVISORY
- MOZART is a global independent art advisory firm that specializes in the sourcing, valuing, buying, and selling of rare assets.
- Our aim is to demystify the complexities of the ever-changing art landscape of dealers, auction houses, galleries, and high profile independent collectors for our clients.
- <http://www.Mozart-Advisory.com>

MOZART offers its clients a wide/varied/diversified service with 5 different approaches

- **Artistic** - selection of works due to stylistic considerations
- **Commercial** - facilitation/representation of/during exhibits, art fairs of artists and clients
- **Art Exhibition/Event all over Asia** - exhibit, represent and organize art exhibitions in high end properties, art galleries, fine-dining restaurants, hotels & resorts, government offices and exhibition venues.
- **Legal** - management of authentications, successions, lending, donations
- **Logistical** - management of restoration, shipping, storage, and insurance

OUR SERVICE

And an **individually tailored** service meant to adapt to the financial constraints and schedule of our clients.

We do so by carefully selecting which subcontractors to work with during each engagement.

At MOZART, we'll be with you every step of the way.

OUR CHARTER

With MozART, you can count on:

- **Responsiveness** – We comply with your deadlines and commit to constant communication.
- **Respect** - We are committed to respecting our clients taste and individual considerations.
- **Transparency** - We pride ourselves in providing the highest level of transparency in our process and the selection of our providers.
- **Safety** - We are committed to securing all property/assets transactions that we are involved with and place an utmost importance on fiscal compliance and legal conformity.
